Exploring their stories reveals not just the thrilling race itself but also the resilience, ingenuity, and determination of two extraordinary journalists who challenged the norms of their time.

## The Origins of an Unprecedented Race

The story of liz and nellie nellie bly and elizabeth bisland s rivalry begins in the 1880s, a period when women in journalism were still struggling for recognition. Nellie Bly, born Elizabeth Cochran, was already a well-known investigative reporter for the New York World. She had gained fame for her undercover work exposing the harsh conditions in mental asylums and her fearless reporting style. Meanwhile, Elizabeth Bisland was an accomplished writer and editor for the Cosmopolitan magazine, known for her literary flair and thoughtful essays. The idea to race around the world was inspired by Jules Verne's novel *Around the World in Eighty Days*. Bly's editor suggested she attempt to beat the fictional record by traveling the globe in less than 80 days. Almost simultaneously, Cosmopolitan decided to send Bisland on a similar mission, turning what might have been an individual adventure into a headline-grabbing competition.

### The Context: Journalism and Adventure at the Turn of the Century

The late 19th century was a golden age for newspapers and magazines. The public was hungry for sensational stories, and journalists were pushing the boundaries of reporting. Adventure journalism, especially, appealed to readers fascinated by far-off places and daring exploits. For women like Bly and Bisland, this was a chance to prove their talents not just in writing but in courage and resourcefulness. Their race became a media spectacle, with newspapers tracking their progress and readers eagerly following updates. It was a rare moment when female journalists were at the forefront of international news coverage, challenging gender stereotypes and expanding the possibilities for women in professional fields.

## Liz and Nellie Nellie Bly's Journey: A Closer Look

Nellie Bly's journey around the world was nothing short of extraordinary. She departed New York on November 14, 1889, armed with nothing but her wit, determination, and a keen sense of adventure. Her route took her across the United States to San Francisco, then by ship to Japan, Hong Kong, Singapore, Ceylon (now Sri Lanka), the Suez Canal, and finally across Europe back to New York.

### Challenges and Triumphs Along the Way

Bly's trip was fraught with challenges, from navigating unfamiliar cultures and languages to managing tight schedules and transportation delays. Yet, her resilience shone through. She famously traveled in third-class

accommodations to save money and blend in with ordinary travelers, a strategy that helped her avoid unnecessary attention. One of the remarkable aspects of Bly's journey was her ability to maintain communication with the press, sending dispatches that kept readers hooked. Despite the physical and mental toll, she completed the trip in 72 days, 6 hours, and 11 minutes, beating the fictional record and setting a real-world standard.

## Elizabeth Bisland's Parallel Adventure

At the same time, Elizabeth Bisland embarked on her own race, departing just a few hours after Bly but heading westward, the opposite direction around the globe. While Bly took an easterly route, Bisland's journey was equally impressive, covering vast distances and facing her own set of obstacles.

### Bisland's Style and Approach

Unlike Bly's more investigative and fast-paced reporting, Bisland's style was reflective and literary. She documented not just the logistics of travel but also the cultural nuances and personal reflections on the places she visited. This gave her reports a different flavor, appealing to readers who appreciated a more contemplative take on the adventure. Bisland's journey took her across the United States to the West Coast, then across the Pacific Ocean, through Asia, the Middle East, and Europe, before returning to New York. She completed her trip in 76 days, a remarkable accomplishment in its own right, though she arrived after Bly and thus was widely regarded as the runner-up.
