Her decision to sue her parents for medical emancipation raises crucial questions about bodily rights and the

impact of illness on family dynamics.

## **Kate Fitzgerald: The Illness That Shapes the Family**

Kate, the sister whom Anna was created to help, is central to the story's emotional weight. Her battle with leukemia not only affects her physically but also influences the lives and choices of everyone around her. She is both a source of inspiration and a catalyst for conflict, as her condition forces difficult decisions upon her parents and siblings.
