World War I: Origins, Course, and Consequences

A pivotal starting point in the 20th century timeline, World War I (1914-1918) is often examined through multiple lenses within the Cambridge IGCSE context. The assassination of Archduke Franz Ferdinand is widely accepted as the immediate trigger, but the syllabus encourages students to analyze deeper structural causes such as nationalism, militarism, alliances, and imperial competition. The war's trench warfare, technological innovations like tanks and chemical weapons, and the staggering human and economic costs are integral parts of the curriculum.
