Contextualizing Arranged Marriage in Divakaruni's Literary Universe

To appreciate the depth of arranged marriage stories chitra banerjee divakaruni crafts, it is important to situate them within the broader socio-cultural and historical context of South Asian traditions. Arranged marriage, a practice prevalent in Indian society, involves family participation in selecting a spouse, often prioritizing social compatibility, caste, religion, and economic status over romantic love. Divakaruni's narratives, however, do not reduce arranged marriages to mere social transactions; instead, they explore how characters negotiate personal desires and familial expectations. Her stories frequently occur in settings that juxtapose the traditional Indian milieu with the diasporic context, highlighting tensions between old-world customs and new-world freedoms. This intersectionality is crucial to understanding the evolving nature of arranged marriages as portrayed in her fiction, especially when characters straddle two worlds with conflicting values.

Thematic Exploration: Tradition Versus Individuality

At the core of Divakaruni's arranged marriage stories is the tension between collective cultural identity and individual self-expression. Her protagonists often wrestle with the pressure to conform to prescribed roles while yearning for personal fulfillment. This theme resonates strongly in stories like those in her acclaimed collection "Arranged Marriage," where women confront the challenges posed by arranged unions. Divakaruni's characters are not passive recipients of their fate; rather, they exhibit agency, resilience, and often subversive strategies in negotiating their circumstances. For example, in several narratives, women challenge patriarchal norms by asserting their preferences or redefining their relationships within marriage. This nuanced portrayal disrupts the binary of victim versus oppressor often seen in portrayals of arranged marriages.

Cultural Nuances and Gender Dynamics

Divakaruni’s stories illuminate the intricate gender dynamics embedded in arranged marriages. While the tradition is frequently critiqued for perpetuating patriarchal control, Divakaruni presents characters who navigate these structures with complexity. Female protagonists reveal diverse responses — from acquiescence to rebellion — shaped by generational differences, education, and exposure to alternative worldviews. The author also sheds light on male perspectives, offering a balanced view that avoids demonization.
