Early Life and Background

Family and Upbringing

Katharine Graham was born on June 16, 1917, in New York City into an affluent and influential family. She was the only child of Eugene Meyer and Agnes Elizabeth Meyer. Her father was a successful banker and investment banker who later served as the president of the World Bank, and her mother was known for her intellectual pursuits and philanthropic endeavors. Growing up amid wealth and privilege, Katharine had access to a high level of education and social connections from a young age.

Katharine attended private schools, and her academic journey reflected her privileged background. She graduated from the Holton-Arms School in Maryland and later from Vassar College in 1938, where she studied history and economics. Her education fostered her interest in politics, history, and journalism, shaping her worldview and future ambitions.

Marriage, Family, and Early Career

Marriage to Philip Graham

In 1940, Katharine married Philip Graham, a young lawyer and investment banker. Their marriage was a partnership that would influence her personal and professional life profoundly. Together, they had two children: a son, Donald Graham, and a daughter, Elizabeth "Lally" Graham Hank. Philip’s career in finance and their shared social circles laid the foundation for her future involvement in publishing.

Involvement in Publishing

Initially, Katharine's role in the family business was limited. However, her life took a decisive turn during her husband's military service in World War II when she began to take on more responsibilities in managing the family's media interests. She gradually became involved in the

Paid editions also provide customer support, device synchronization, and cloud backups on many platforms.

Before downloading any version, always verify compatibility with your device and preferred reading app. Some files may be formatted specifically for certain platforms, such as Kindle, EPUB readers, or PDF viewers.
